## Policy 009 – Canteen Staff

Samford Rangers Football Club Samford Rangers has a strong focus on work place health and safety and the safety of children.

In keeping with this philosophy the Club recognises the abundance of potential hazards to untrained or unaware individuals within the Canteen / Sports Shop area (entered by the steel mesh door inside the club house or central door near the canteen roller shutter) including:

- Financial hazards;
- Slip, trip and fall hazards;
- Electrical hazards; and
- Hazardous substances.

As a result:

### ***The Clubs Canteen Area is a Child Free Zone***

Canteen Staff are to *ensure that no boy or girl under the age of 14 enters the Canteen or Sports Shop area*, regardless of whether their parents or guardian are working in the Canteen / Sports Shop or whether they are supervised.

### ***Only designated canteen staff may enter the Clubs Canteen Area.***

Canteen Staff are to ensure that all *door entry points are locked at all times* to ensure that only rostered canteen staff or those invited by the designated Convenor to assist rostered staff can enter the canteen area.

### ***Individuals banned from the Canteen by the Management Committee may not enter the Clubs Canteen Area.***

Canteen Staff are to ensure that all door entry points are locked at all times to ensure that *individuals banned from the Club's Canteen Area cannot enter* regardless of whether they are supervised.

*Any breaches of the above policy are to be reported immediately to the Club's Committee.*
