**PAYMENT VIA ELECTRONIC TRANSFER TO BANK A/C**

Hello SSG Refs,

In the interests of getting payment to you promptly, we would like to be able to transfer payment into your or your parents' bank account electronically. Currently, with cash payments, we need to get two committee member's signatures on the withdrawal form and go to the club's bank, someone has to count out each payment and put in an envelope which they then label and deliver to me as we cross paths at the soccer club. I then have to locate you. You can see that this process could take a while given the busy lives we all lead.

If you are willing to have your payment paid directly to your bank/building society/credit union account, please complete the shaded boxes in the table below and have one of your parents verify the details you provide and sign in the space provided. We wouldn't want your payment going into someone else's bank account.

If you do not have an account or would prefer cash payment, please complete the second part of the form below.

Please return the form in a labeled and sealed envelope to me, through the letterbox slot in the Club House front wall or in person at the club house. (I usually check the letterbox Tues-Thurs nights when my sons train)

Regards,
